SCENES OF PATRIOTISM.

Volunteers Were Given an Ovation in London.

London, January 12 .- Remarkable scengs of patriotism were witnessed in London last evening after a short service held for the volunteers in St. Paul's cathedral. The vast audience was slow to dis. perse. Ladies stood upon the chairs beckoning and calling brothers sons and friends in the ranks, the latter signalling back. A scene of great animation ensued. The organists introduced a few bars of the national anthem in concluding the voluntary. The effect of this was magical. First the volunteers and then the congregation took up the strains and the vast cathedral was filled with enthusiastic song. These demonstrations were renewed by immense crowds outside. St. Paul's churchyard and Ludgate hill were black with people and it was impossible for the volunteers to march. Individual members were polled out of the ranks by their friends and admirers, who raised them on their shoulders and thus carried them down Fleet street. Those who escaped hoisting proceeded slowly surrounded by cling-

lain Is a Judas.

San Francisco, January 12 .- According to B. F. Archibold, editor and proprietor of the Sydney Buletin, who arrived here vesterday from Australia, there is a growing feeling in Australia that the British colonies are making a serious mistake in siding England to wage war against the Boers. "It was a grave error for Australia to send out troops to South Africa." said. "It amounts to the abandonment of our independence."

Personally Mr. Archibold considers the war with the Boors unjustifiable and entirely unprovoked.
